OMSCHRIJVING

This uniquely designed luxury Villa is located in the beautiful and quiet residential area of Monte Olimpo in Jávea. The ideal location allows us to enjoy the spectacular views of the landscape and the sea.

On the ground floor of the house we find a double height living room. This spacious and bright place is the heart of the Villa, as all the rooms are arranged around it. On this floor there is also a modern fully equipped kitchen, a laundry room, a guest WC, 1 bedroom (en-suite) bathroom and dressing room. From the dining room, the kitchen and the two bedrooms you can access a spectacular terrace with Infinity pool.

If we go up to the first floor, we will find a corridor, living room with access to the terrace, Master bedroom with its own dressing room, a bathroom and access to a large terrace with beautiful views. At the other end of the hall there are two bedrooms and a bathroom.

In the basement of the Villa there is the sector of a cinema room and a gym with its own bathroom.

The Villa is designed with high quality standards, using the best quality materials and finishes of the well-known Porcelanosa brand. The house has a system of domotics and integrated control, automatic blinds, underfloor heating, air conditioning and double glazing to ensure the comfort of the home. In addition, to ensure its safety, a security and access control system has been installed.

The outdoor spaces have a unique design with a variety of textures, materials and vegetation that enhances the beauty of the environment.

The advantage of this Project is the construction of a house to your liking and create a unique environment to meet your needs in a good area of Jávea.
