OMSCHRIJVING

4 bedroom penthouse apartment for sale with huge private terrace. This off plan development of luxurious, sustainable new build apartments for sale in Denia, located in a privileged and exclusive enclave, next to the Denia marina with the Montgó Natural Park as its backdrop. Three residential blocks will be integrated with the pre-existing elements of great heritage value, accentuating the site's historical footprint from a sustainable and modern perspective. The blocks, designed with great geometric rigour, will be placed around the perimeter of the plot, freeing up a large central garden, enjoying the surrounding environment and framing from the large terraces with views of the Montgó, the large interior garden or the green area located next to the development.
